## **MSTA STANDARD PROCEDURES**

### **PENALTY YARDAGE AND CLASSIFICATION:**

The handicap committee must assign a minimum of 24 yards, Class A Singles and Class A Doubles to any shooter who does not have 500 Singles, 500 Handicap, and 500 Doubles in the current and previous year combined. Juniors and Sub-Juniors are exempt from the yardage penalty only, effective 2025 as revised by the Board at the 2024 Directors meeting.

### **CLASS WINNERS:**

Beginning with Thursday Class Doubles, the winner and ties in and out of state of any Class Event advances to the next highest class for the remainder of the shoot. The shooter must advise the cashier of such changes for options and purse calculations. At the 1999 Board Meeting, the Board voted to award pins to the Class winners in the State Doubles on Friday and the State Singles event 200 birds on Saturday and Sunday.

### **YARDAGE WINNERS:**

Any shooter that earns yardage, in any Handicap events, must shoot the next event from his or her new yardage or forfeit any and all prizes. The shooter is responsible to have his or her card punched and advise the cashier of yardage changes for options and purse calculations.

### **ALL-STATE TEAM:**

Shooters must have at least 1500 Singles, 1500 Handicap, and 1000 Doubles to qualify. The same applies to special categories for consideration of the high average awards. If a category shooter makes the All-State Team, they must vacate the special category award allowing the next high shooter in the special category to move up. In the event no one in a special category qualifies, with the required targets, a winner may be chosen based on a combined average of Singles and Handicap targets. The number of targets registered will also have a strong bearing on the selection. The above targets requirements were revised by the Board at the 1998 Directors Meeting. Sr. Vet & Sub Jr. were added at the July 2001 Directors Meeting. Effective for the 2026 ATA shooting year, the qualifying high averages of all special categories (Sub Jr., Junior, Junior Gold, Lady I, Lady 2, Sub Vet, Vet, and Senior Vet) will be recognized for High Average Shooter Award as approved at the 2025 MSTAs Board of Director's meeting.

### **HI-AVERAGE AWARDS:**

To qualify for a Montana State Hi-Average Award, a shooter must have either 1500 Singles or 1500 Handicap or 1000 Doubles. To qualify for the Over-All Award, shooters must have at least 1500 Singles, 1500 Handicap, and 1000 Doubles.

### **CHAMPION OF CHAMPIONS EVENT:**

Will be shot on the first half of the State Singles Championship. Open only to Montana shooters that are members of paid-up MSTAs member clubs. Each club selects their champion who is then eligible to compete. Each club champion must pay a \$1.00 entry fee and place his or her name on the list provided. There will be a trophy and \$50.00 awarded to the winner. Ties shoot-off for both trophy & money. Shoot-offs are carried over to the 2nd half of Singles Championship via 25's. If a tie exists, reverse score on 25's will be used. If still undecided, there will then be a head-to-head shoot-off.

### **BIRTHDAYS:**

ATA rules will apply.

**STATE SINGLES CHAMPIONSHIP:**

State Singles Championship will be decided on 200 targets, Events 10 & 13. The MSTA will provide funds to the State Champion or a Runner-Up, provided he or she agrees to enter the Champion of Champions race at the Grand American if eligible. ATA RULES allow only the State Champion or Runner-Up to enter the Champion of Champions event.

**IN ALL CASES:**

The recipients of these monies must enter the Champion of Champions event at the Grand American to receive this expense money from the MSTA. The winner is to notify the MSTA secretary as soon as possible whether they will or will not be able to attend the Grand. If the Champion or Runner-up does not attend the Grand, the day fees are retained in the MSTA treasury and awarded at the following years state shoot in the following manner. The money is to be rounded down to the nearest \$500.00 and awarded as added money to the High All Around winners by Class (AA, A, B, C, D) high gun 50-30-20; closed to out of state shooters.

**SPECIAL CATEGORY TROPHIES:**

All shooters eligible to shoot for Special Trophies must place their names on the lists provided at the bulletin board.

**DECLARE SPECIAL CATEGORIES:**

All Lady 1, Lady 2, Sub-Juniors, Juniors, Junior Golds, Sub-Veterans, Veterans, Senior Veterans, and Chair Shooters must declare their special category at the time of their entry. Without such declaration at the time of entry, the shooter will not be allowed to compete for the applicable special category trophies, per section X, paragraph D, items 1-7 of the ATA rule book.

**TRAP AND FIELD:**

MSTA will give Champions and Runner-Ups in State All Around, Singles, Doubles, and Handicap Championship Events a one-year subscription to Trap and Field. The winners must contact the MSTA Secretary.

**REFUNDS:**

No entry fees, purses, or options will be refunded after the event has started. All refunds will be mailed to the shooter with the payoff. NO CASH REFUNDS.

**RESIDENT:**

He or she must have met the legal and ATA requirements for citizenship in the State of Montana. He/she may not have participated in the State shoot for any other state, representing himself/herself as a resident of that state and eligible for state shooting titles of that state, within the calendar year of the last preceding Montana State Trapshooting Association's last State Trapshoot. If he/she is desirous of transferring his membership from any other state to Montana and becoming a member of this Association, he/she shall inform the MSTA of his/her intentions at least six months prior to any Montana State Shoot to be eligible to participate in same. A shooter without a permanent ATA card shall be required to qualify his/her residency with the MSTA delegate or the handicap committee.

# 2026 Hall of Fame Inductee

## Gary Delin

Mr. Delin began his shooting career in 1982. In the ensuing years he has shot 131,625 registered targets, been on the Montana All State team and made the 27-yard line.

Although health issues have kept him from shooting for the last 9 years his involvement in the sport has been significant.

Gary has been a Montana State director every year since 1998. He helped start the Montana All State Team championships in 2001. After this shoot moved to other clubs and started to deteriorate Gary had it moved back to his club and made it one of the most popular shoots of

the year. This shoot on average provides 25 to 30 new shooters for our sport.

Mr. Delin has worked tirelessly for the Montana Trap Shooting Association. Since 2001 Gary has run the shoot-off committee at every State Shoot and every Hoppie Shoot even after his health problems kept him from competing. He has dedicated the time and expense to be at the state shoot and on the line directing the always complicated shoot-off procedures.

In 2017 Gary helped start and has directed the Bill Beryl Shooting Scholarship Program for youth shooters in Montana. Since that time this program has supplied scholarships of \$300.00 to 38 young people from clubs all across Montana.

I don't know of anyone who has been as hard working or as influential to the Montana State Trap Shooting Association as Mr. Delin. I think it is time to recognize his contributions to the State Association and our sport and congratulate him on his induction to our Hall of Fame.

Jim Jones

## **TOP THINGS TO DO IN GREAT FALLS**

### Visit Giant Springs State Park 4.9

One of the largest freshwater springs in the United States, producing millions of gallons of crystal-clear water daily. The park has walking trails, wildlife viewing, the Roe River (known as one of the world's shortest rivers), (yes this is a Trivial Pursuit question), and beautiful Missouri River scenery.

### Explore the Lewis and Clark Interpretive Center

This is one of the best Lewis and Clark museums anywhere along the trail. Interactive exhibits, large-scale dioramas, and excellent storytelling explain the famous portage around the Great Falls of the Missouri.

### Walk the River's Edge Trail

Over 50 miles of trails follow the Missouri River through town, connecting parks, overlooks, dams, and historical sites. It's great for walking, biking, and photography.

### See the CM Russell Museum 4.5

Charles M. Russell is Montana's most famous cowboy artist. The museum includes his original home and studio and one of the finest collections of Western art in America.

### Malmstrom Museum and Air Park 4.8

A hidden gem featuring military aircraft, Cold War history, and exhibits about Montana's role in America's missile defense system.

### Check out the Missouri River Dams and Falls

The city is named for a series of waterfalls that once forced Lewis and Clark into an exhausting portage. Ryan Dam, Rainbow Falls, Black Eagle Falls, and other overlooks offer great views and photography opportunities.

## **BEST DAY TRIPS FROM GREAT FALLS**

### **First Peoples Buffalo Jump State Park**

About 15 minutes south of town.

One of the largest buffalo jumps in North America, where Indigenous peoples drove bison over cliffs for centuries. The visitor center and hiking trails are excellent.

### **Craig**

About 35 minutes away.

A world-famous fly-fishing destination on the Missouri River. Even non-anglers enjoy the scenery, riverfront restaurants, and wildlife.

### **Sluice Boxes State Park**

One of Montana's most dramatic hidden parks.

Features old railroad tunnels, canyon walls, waterfalls, and rugged hiking.

### **Showdown Montana**

A local favorite ski area in winter with a laid-back atmosphere and much shorter lift lines than larger Montana resorts.

**Don't forget that Glacier National Park is only 125 miles  
away...MUST SEE**

**Notes:**

## THANK YOU

The Great Falls Trap and Skeet Club would like to extend out sincere gratitude to all of our community partners who supported the 132nd Montana State Trap Shoot by placing advertisements in the program and sponsoring events throughout the tournament.

We would also like to thank our dedicated trap help and volunteers. Your hard work, commitment, and countless hours of services made this event possible. We truly could not have done it without you.

Last, but certainly not least, we would like to thank all of the shooters and their families who traveled from near and far to attend this year's shoot. Your participation and support helped make the event a tremendous success.

We are honored to have hosted the 132nd Montana State Trap Shoot and look forward to welcoming you back to Great Falls in four years , when we will host the 136th Shoot. Safe travels, and thank you for being part of this memorable event.
